

ADMINISTRATIVE MEMORANDUM VPAA 22-04

August 17, 2022

SUBJECT: Department Name Change to School of Applied Health
DISTRIBUTION: All Faculty, Staff, and Administrative Offices

To better reflect the diverse offerings within the Department of Kinesiology and Recreation Administration (KRA), which share a common theme of supporting the health and wellbeing of individuals and populations, approval has been granted to officially change the name of the Department of Kinesiology and Recreation Administration to the School of Applied Health, effective August 17, 2022.

The degree programs housed within the newly named department will remain unchanged and are as follows: B.S. in Kinesiology, with four concentrations: Exercise Science, Health Promotion, Physical Education Teaching, and Pre-Health Professions; B.A. in Recreation Administration, with four emphases: Diving Leadership, Inclusive Communities, Outdoor Leadership, and Tourism Management; the Registered Nurse to Bachelors of Science in Nursing; and an M.S. in Kinesiology.
